

Design a report

Loading the Clearinghouse data to the data warehouse for each graduating class back to 2001 gives us the ability to create reports to answer some intriguing questions. Please use this form to either **list some questions** you would like answered or **sketch out the details** you would like included on a report. Return this form to Student Data Services via fax at 244-4003.

A large, empty rectangular box with a thin black border, intended for the user to write their report design details or questions.
